PIANO.
MUSIC FOR GUITAR AND PIANO
From the collection of the Library of Congress

CORRECTIONS: (bt=beat; c=notated middle C.)
Gtr189 bt1: ledger line inserted above a.
Gtr267 bt3: c2 was d2.
Gtr413 bt2: # removed from d2.
Pn65,67 bt4 treble: implied # on d2 written in.
Pn92 bass: 4er rest was 8th rest.
Pn140,148 bt1 treble: a1 was under d3.
Pn421 bt1 treble: e2 was double dotted.

COMMENTS:
Beware of unmarked triplets, for example in gtr120.
Gtr91: should properly end with thin double bar.
A modern rewriting of the passage in harmonics (gtr237...) is supplied separately. If you find it helpful, tape it over the original. Moreover, there is a problem with the notation where the composer indicates 7th fret harmonics (gtr253,255, etc.) Either the notated pitches are not intended, or else the harmonics are not all at the 7th fret. Since the notated pitches make better music than the 7th fret harmonics, staffs are supplied which give a realization in harmonics of the notated pitches. Original cover page has poor-condition octagonal Ewer & Johanning stamp.

DEFINITIONS:
Assai = very.
Dolce = sweet.
Glissez = "glide" = glissando = rapid scale obtained by sliding from one note to next.
Loco = "place" = play notes in normal location (after harmonics.)
Pouce = thumb (i.e., left hand thumb in gtr239.)
Rinf = rinforzando = sudden stress on a single note or chord.
Rondo = form of music in which the principal subject is repeated several times, e.g., ABACA.
Touche = "key" (piano) = fret or position on guitar.
V S = volti subito = turn (page) quickly.

LIBRARY OF CONGRESS CALL NUMBER: M277.A (in box labeled "M277 A-").

THANKS: The publisher is indebted to pianist Elmer Booze for his proofreading help.

This "performance facsimile", with restoration, corrections, measure numbers, and other aids to ready performance, was created by Donald Sauter (1997) and is offered freely to the world.
